Invisible Touch

Martin Levac

Well I've been waiting, waiting here so long
But thinking nothing, nothing could go wrong, ooh now I know
She has a built in ability to take everything she see
And now it seems I'm falling, falling for herShe seems to have an invisible touch yeah
She reaches in, and grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apartWell I don't really know her, I only know her name
But she crawls under your skin
You're never quite the same, and now I know
She's got something you just can't trust
It's something mysterious
And now it seems I'm falling, falling for herShe seems to have an invisible touch yeah
She seems to have an invisible touch yeah
She seems to have an invisible touch yeah
She reaches in, and grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apartShe seems to have an invisible touch yeah
She reaches in, and grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apartSo she don't like losing, to her it's still a game
And though she will mess up your life
You'll want her just the same, and now I know
She has a built in ability to take everything she sees
And now it seems I've fallen, fallen for herShe seems to have an invisible touch yeah
She reaches in, and grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apartShe seems to have an invisible touch
She seems to have an invisible touch
She seems to have an invisible touch
