

# Ooh Love

Kashif

Kashif Oh love Oh love Sometimes I get lost for word  
suppose to being a poet,  
am not suppose to get lost for words,  
But sometimes it happens anyway  
And I'm lost, lost for spoken words  
so I wrote this song to say All night babe  
try to love you girl with all my might  
But you blew my mind you said  
you do the loving  
I do the taking  
You do the loving  
Oh babe it's so right, your everything that I want and like  
but you blew my mind You do the loving  
I do the taking  
You do the loving Betcha didn't know it babe  
I know you didn't know now did you  
I always said I wanna be with you  
So will I i I Betcha did know it babe  
I know you didn't know girl did you  
Anything you want are you you  
Am so in l o v e Oh love  
wanna make you say  
Oh love  
So you said  
It does matter if things go your way  
You just give e e give it up You said you do the love I do the taking  
Oh babe make no mistake  
No one else could ever love this  
But you stayed on my mind oh oh love  
I wanna make you say  
Oh oh love  
Gonna hear you oh oh love  
Gonna make you wanna make say love
