Remy Red

Angie Stone

Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
There you are, superstar
The flyest guy at the bar
I had to get to know ya
Had just one shot to show you
Where to glance, suddenly
We made eye contact, then we
Made our way across the room
Meeting up never too soon
(You said)
Can I buy you a drink, girl? Yes, you can
I'm single, do you have a man?
I got two left feet, would you like to dance
Said it ain't that deep, I'll take a chance
Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
Took a walk to the back
'Cause the joint was getting packed
Found a spot I could kiss you
And romantically embrace you
Tryin' hard to be cool
'Cause I'm really feelin' you

Slow down, take your time
'Cause this thing is still brand new, uh oh
(You said)
Can I buy you a drink, girl? Yes, you can
I'm single, do you have a man?
I got two left feet, would you like to dance
Said it ain't that deep, I'll take a chance
Sippin' on Remy Red
(Sippin' on Remy Red)
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
(Down for whatever)
Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
(As I recall)
And down for whatever with me
Now that we know each other a little better
I think this thing we got, can go a little further
I can foresee a possibility
Of you and me, oh, yeah yeah
Sippin' on Remy Red
(Sippin' on Remy Red)
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
(Down for whatever)
Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
(As I recall)
And down for whatever with me
(Down for whatever)
Sippin' on Remy Red
(Sippin')
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
(Down for whatever)

Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
(Ready)
And down for whatever with me
Sippin' on Remy Red
(Remy Red)
Believe what ya said
As I recall you were ready
And down for whatever with me
