

# Winter Wonderland

## Point Of Grace

Sleigh bells ring, are you listenin'  
In the lane, snow is glistening  
A beautiful sight, we're happy tonight  
Walking in a winter wonderlandGone away is the blue bird  
Here to stay is a new bird  
He sings a love song as we go along  
Walking in a winter wonderlandIn the meadow we can build a snowman  
Then pretend that he is Parson Brown  
He'll say, "Are you married?", We'll say "No man  
But you can do the job when you're in town"Later on, we'll conspire  
As we dream by the fire  
To face unafraid, the plans that we made  
Walking in a winter wonderlandOver the ground lies a mantle of white  
Heavenly diamonds shine down from the night  
Love knows no reason, love knows no rhyme  
And we can throw snowballs at any old timeWhen it snows, it's so thrillin'  
Though our nose gets a chilling  
We'll frolic and play, the Eskimo way  
Walking in a winter wonderlandIn the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with Mister Snowman  
Until the other kiddies knock him downWalking in a winter wonderland  
We're walking in a winter wonderland  
Now we're going walking in a winter wonderland
