GOOD MORNING (feat. The-Dream)

SBTRKT

[Intro]
I'm gon love you all the way to my tomb
I'm gon love you all the way to the moon[Verse 1]
You're the girl that I'm gon marry
Sitting back watching Boomerang Tom and Jerry
Tom and Jerry, Tom and Jerry
I'm always roll with you, I ain't scared, I ain't scared, I ain't scared
Tell your momma that we're getting married
Getting married, getting married, getting married[Chorus]
Let the sun lay on us
Right off the windowpane
Baby get the champagne
Here's to a good morning
Here's to a good morning
Here's to a good morning
Good morning yeah[Verse 2]
Here's to the baby that you gon' carry
Gon' carry, gon' carry, gon' carry
Baby young boy in the Formatic, Formatic, Formatic
If you don't make it that'll be tragic (don't let it happen)
If you don't make it that'll be tragic (don't let it happen)
Yeah, don't make it[Bridge]
I will love you all the way to my tomb
I will love you from earth to the moon
You're the girl that I'm gon marry
Sitting back watching Boomerang Tom and Jerry
Tom and Jerry, Tom and Jerry[Chorus]
Let the sun lay on us
Right off the windowpane
Baby get the champagne
Here's to a good morning
Here's to a good morning
Here's to a good morning
Good morning yeah
