

The Band Has Just Begun

Published by summerlea music, ltd. - bmi Come talk to the band, and we'll tell you our plan

We've got alot to say

That we've worked for awhile, to develop a style

On tunes for you to play

We'll sing you a tune, we'll scream and we'll croon

Some rock 'n' roll for you

And we'll give you a rush, with a look and a touch

We'll rock the whole night through

So we never have to worry, and we'll never have to run

Our chance to have a party's just begun, oh yeah, oh boy

The band has just begun You can sing, you can dance, we can all take a chance

Come on, lets have some fun

Try if you will, to remember the thrill

That the band has just begun

And now you'll never have to worry, you'll never have to run

The chance to have a party's just begun, oh yeah, oh boy

The band has just begun, oh yeah Come talk to the band, and we'll tell you our plan

We've got alot to say

And we've worked for awhile, to develop a style

On tunes for you to play

And now we'll never have to worry, and we'll never have to run

Our chance to have a party's just begun, oh yeah, oh boy

The band has just begun, oh yeah, oh boy

The band has just begun, oh yeah, oh boy

The band has just begun
