WE LIFT YOU HIGHER

Texas Bible College | Lord... Here I Am, 2017

One God, one faith
One name brings us together
We come to glorify our King
One love, one heart
One voice to praise the Father
It's why we gather in this place

Jesus, we lift you higher
Jesus, our one desire
The one who's worthy of our praise
I'm free, I've made my choice
To you I'll lift my voice
Your name that's greater in the Earth
Jesus, we lift your higher (2x)

One God, one name
Jesus, Jesus
One God who reigns,
Jesus, Jesus
(Repeat 4x)
