

# Club Molluska

## Guided By Voices

Have you seen that girl?  
With the blood-shot eyes  
With the razor-sharp teeth  
And the hungry smile  
It's just a runaway world x4  
Have you seen that boy?  
With voluptuous face  
He's a concrete ?  
And he's the king of the world  
Just a runaway world x4
