

The Other Side of Standing Still

Chapman James

The Other Side of Standing Still
words & music by Chapman James, Ted Whittington & Robin Stewart

What am I waiting for?
Standing here all my life...
If I just get moving
I'll see what's on the other side.

Lined up all in a row
Waiting there just like me
Dearhearts and Darlings pacing
Wishing for something to believe...

[BRIDGE]
The soul will sing
The time is now
The waiting's all but done
The past is just a story
We tell ourselves each night
Before we go to sleep
That we might
Remember on waking

What are we waiting for?
Dearhearts and Darlings, all of your life...
If we just get moving
We'll see what's on the other side.
