I Got U

Mr. Capone-e

You're the only girl in this shady world
Forever stay by my side for you I'll ride till I die
'Cause your the only girl in this shady world
So don't be afraid 'cause baby, I got uBaby, I got u 'cause I love the way you move
I trust in you 'cause you always keepin' it true
Never leave me alone 'cause you give me your corazon
It's that natural high when hanging out alone call me on the phoneWhen your going thru some hard times
What ever the problems, mija, I'll be your sun shine
Front line, protect you with my life your my muneka precious
That I cherish with pride, text message to youTo way let you know, baby, doll, I'm here to stay, stay
The way you gave this young pandlero a chance
Let me watch your back when these fakes try to act
We ain't together but I'll ride with it, quicknessNow listen up, surena, don't ever turn against this
Your the homegirl so I gotta represent, never leave you behind
'Cause your the girl that I respectYour the only girl in this shady world
Forever stay by my side for you I'll ride till I die
'Cause your the only girl in this shady world
So don't be afraid 'cause baby, I got uBaby I got u 'cause you stand with pride
You're my angel, baby never eva switchin' sides
Playin' around with this gangster when I was lost
When I needed a place to stay you found me a spotYou dress like a Vato, that's what people say
But I say you dress with respect the Pachucas way
Sabes que your my downest homegirl
Your more downer then some of my homeboys that's word, babyI got u so don't let no one get you down
Never shed the tears of a clown 'cause I'll be around, baby
I got u and I taught you to have sex when we were just youngsters
Like two birds in a nest hush, hush, hushNow we kept it on the low like Bonnie and Clyde
We were straight ready to role bumpin' the stereo
Listen to some Mary Wells
I got two lovers and your one as wellYour the only girl in this shady world
Forever stay by my side, for you I'll ride till I die
'Cause your the only girl in this shady world
So don't be afraid 'cause baby, I got uBaby, I got u who bought you the Tequila sun rise
The first time you got drunk and puked all over my ride
It's a Saturday night watching everyone get older
Shouts out to the cholitas they're the true life soldiersIt's a man's world but it be nothing with out a woman
Specially the homegirls, that's never ever frontin'
I stay wondering what made you so tough
When these other girls were sluts you were careful who you fuckedSome one I can trust when I was trosido

You had the burn out number
And you 3 wayed my people, I got u so hold your head up high
And never blink your eyes 'cause surenas never dieYour full of pride so lets make it last
Like Kest West says 'I got your back'
Baby, I got u when this world gets colder
Your the girl I trust from the one and only soldierYour the only girl in this shady world
Forever stay by my side for you I'll ride till I die
'Cause your the only girl in this shady world
So don't be afraid 'cause baby, I got uThat's right, this goes out to all the homegirls out there
That been watchin' the homeboys backs
Y' know wat I'm saying you ain't being forgotten
Baby, I got uThat's right, Mr. Capone-E
That's right, Simon
