La Costa

Natalie Cole

Written by n. cole and l. williams
Picture yourself on the sea of a setting sun
The salty air and the taste of your lover's hair
Inside you want to fly
Ah, yi, yi, yi, yi, yi, yi
Come to the magical mist where the oceans kissed
A thousand kisses or more on the sandy shore
And never says goodbye
Ah, yi, yi, yi, yi, yi, yi
Ooh, la costa, ooh
Ooh, la costa, ooh
Come feel the warm of the breeze as the swaying trees
Caress the velvety skies like a whisper telling you to come and fly
Ah, yi, yi, yi, yi, yi, yi

Musical interlude
Run with the wind at your side let it set you free
I'll watch the sun in your eyes as the seagulls fly
Along this lover's isle
Ah, yi, yi, yi, yi, yi, yi
You are my love and my life, you're my everything
You calm the sea of my soul oh so tenderly
It makes me very high
Ah, yi, yi, yi, yi, yi, yi
Ooh la costa, wee, ooh, wee
Ooh la costa, ooh
Picture yourself on the sea...
Come feel the warm of the breeze..
La costa.....
