Thank You

New Edition

Here I am, standing here father
I just wanna take out a little time
A little time to say thank you
Oh thank youYou see you watched over me
All night long
You, you, you, you
You kept me in your lovin' armsAnd I wanna thank you
(Father I)
Oh I, truly I, thank you
(Truly I, thank you)I wanna thank you
'Cause they said it couldn't be done Lord
Oh, but it's because of you
That we're standing here together as oneAnd we thank you
(Father I)
Oh, thank you, thank you Lord yeah
(Truly I, thank you)Oh we thank you Lord
(Father I)
Oh we thank you for all the noblenesses
(Truly I)
Truly we thank you
(Thank you)Oh Lord I thank you
(Father I)
Oh we thank you for givin' us peace
(Truly I)
In the midst of the storm
Thank you, thank you, thank you
(Thank you)
