

Heroes

Frida Sundemo

Something is moving from the ground
and there's no need to hold it in now
Nothing's forever in this town
Nothing's forever but we don't mind
The flashing lights cut through the pouring rain
It's getting late, city beats awake
We let it all out We can be heroes
We can be heroes
Dear, just let it out
We can be heroes
We'll just let it out
We can be heroes
We won't ever let go
When we are heroes We never sleep, we're just breathing deeply
This is our time
I will never let go
No, I won't ever let go now We can be heroes
We can be heroes
Dear, just let it out We can be heroes
We'll just let it out
We can be heroes
We won't ever let go
All we waited for
Will strike our way
Everything and more and more and more
Oh
We won't ever let go
When we are heroes
