Baby I Lied

Deborah Allen

Did I say I wouldn't be hurt if our love just didn't work?
Did I say that I'd be okay if you said goodbye?
And did I promise you I could take it if we were through
And forget about these feelings inside?Baby, I lied when I told you I could walk away
Baby, I lied, and forget about the love we made
I swear on my heart I was telling the truth at the time
Baby, I lied, baby, I liedAnd did I ever tell myself I could always find someone else?
Did I say if you left today it'd be no surprise?
Did I ever leave any doubt, I could hold up if you walked out?
I know I told you that I could surviveBaby, I lied when I told you I could walk away
Baby, I lied, and forget about the love we made
I swear on my heart I was telling the truth at the time
Baby, I lied, baby, I lied
