

Focus Pon Me

[Shontelle](#)

I've been looking at you wondering if you even got
What it takes inna, no you take me easy
Left, right, left, right, left, right, focus pon me
Left, right, left, right, left, right, focus pon me From the most things I got, you can't do it like me
There is no other
You a-watch and a-stare and a-wish
That this gal could'a be your baby momma So watch me slow grind and a-wine
And in time never step outta line, baby
Make you bod all night feel the wickedest wine
(Focus everytime) So watch me slow wine, baby
While I wine and dine, baby
Make your mouth water with this heat
Me done work it, what is your weakness? Left, right, left, right, left, right, focus pon me
Show it back, make it hot, take it right down for me
Left, right, left, right, left, right, focus pon me Move it round, toss it down, give it all you got, baby
Left, right, left, right, left, right, focus pon me
(What?)
Left, right, left, right, left, right, focus pon me
(What?)
