Wonderful One

Lene Lovich

Wonderful one who are you
So perfect and precious to me
Beauty in body and soul
All that I wish I could beWhat do you say
Time slips away
I am just floating
From nowhere to nowhere it seemsHold back the pain
Try to explain
You are the light in the darkness
The light that I needLife is a struggle for one
Make it double and two can survive
Lean on me lovely, my shoulder is strong
As my feelings insideWhat do you say
Time slips away
I am devoted
And totally programmed to pleaseHold back the pain
Try to explain
You are the reason
For all this emotion I feelWonderful one, youÂ¹re the song I sing
Oh here is the home where my heart belongs
