

Stay Schemin'

Pollie Pop

[hook]i ride for my niggas dawg, i ride for my niggas
i slide for my niggas dawg, i ride for my niggas dawg
stay schemin'

niggas tryna get at me (dawg)

i ride for my niggas

stay schemin'

niggas tryna get at me (dawg)

i ride for my niggas

[rick ross - verse 1]damn, life so short, fuck it, i dont wanna go to court

fuck it, got a budget for the lawyer though

fuck it, i'm on the run for the money

i'm in the bucket, paid 200 for it

my lil niggas thuggin', even got me paranoid

i'm gettin money, thats in any nigga category

double m i got g's out in california

[hook][drake]it bothers me when the gods get to acting like the broads

guess every team doesn't come complete with niggas like ours

thats why i see no need to compete with niggas like y'all

i just ask them when you see me you speak up nigga thats all

don't be ducking like you never wanted nothing

its feeling like rap changed, there was a time it was rugged

back when if a nigga reached it was for the weapon

nowadays niggas reach just to sell they record

spaghetti bolognese in appollo lounge

me and my g from dc thats how i roll around

might look light, but we heavy though

you think drake will pull some shit like that you never know

million dollar meetings in appollo lounge

me and my man all oliver north thats how i roll around

shawty wanna tell me secrets 'bout a rap nigga

i tell a bitch its more attractive when you hold it down

kobe 'bout to lose a hundred fifty m's

kobe my nigga i hate it, had to be him

bitch you wasn't with me shooting in the gym

(bitch you wasn't with me shooting in the gym)

tell lucien i said f-ck it i'm tearing holes in my budget

bag her like we in publix and take her ass out in public

ordered it a filet tell her butterfly she'll love it

she used to soda and nuggets she really just out here thuggin'
im just hittin my pinnacle you and pussy identical
you like the f-ckin finish line we can't wait to run into you
but let me get my mind of that
young rich muthaf-cker getting mine off rap
with my niggas
[hook][french montana]from the hooptie coupe to that ghost dawg
pigeons on the roof like ghost dawg
dwight howard on the post dawg
my niggas got the powder through the post dawg
watch the body tilt when you hit the head
niggas lost mills tryna beat the feds
10 grams off my last 250 now
big ass crib, 250 down, damn
gave my nigga max 75
then gave my nigga penthouse in another 30
fuck got me thinking like im 75
damn, nigga aint even seen 30
[hook]
