You Need Me On My Own

Totally Enormous Extinct Dinosaurs

Im always searchin lookin under my bed, even though, even though you said goodbye.
This love is all, is all Ive got in my head oooh (x5).
Cant stop thinking of you
Youre so right, keeping it real. Oh my, makin me feel. So, where do we go, where do we go, where do we go, when do we go home.
I know you need me on my own.
Oooh (x5)
Im always searchin lookin under my bed, hold me now, hold me now dont let me go.
This love is all, is all I got in my head oooh (x5).
Cant stop thinking of you
And I bet, thats news to me.
You can, oh I can see.
I can be alone, I can be alone, I can be alone and still picture you.
Now youve got answers, well you would.
Oooh (x5)
Im always searchin lookin under my bed, even though, even though you said goodbye.
This love is all, is all I got in my head oooh (x5).
Cant stop thinking of you.
Im always searchin lookin under my bed.
Hold me now, hold me now dont let me go.
This love is all I got in my head oooh (x5).
Cant stop thinking of you.
