Motorcycle

Colter Wall

Well I figure I'll buy me a motorcycle
Wrap her pretty little frame around a telephone pole
Ride her off a mountain like ol' Arlo
Figure I'll buy me a motorcycleWell, I figure I'll walk to the liquor store
Thunderbird, two bottles, maybe three, maybe four
Follow my feet down the music road
Pour it on the pavement like you would a tombstone
Like you would a tombstone
Like you would a tombstone
Pour it on the pavement like you would a tombstoneWell, I figure I'm weary of fealing this way
Pop another pill, hop another train
Tell my brothers and my sisters that it's keeping me sane
Figure I'm weary of feeling this way
Well, I figure I'll buy me a motorcycle
Wrap her pretty little frame around a telephone pole
Ride her off a mountain like ol' Arlo
Figure I'll buy me a motorcycle
Figure I'll buy me a motorcycle
Figure I'll buy me a motorcycle
