

# I Don't Care (Album Version)

## No Question

Tell me what the deal is  
What's goin' on  
Why ya peeps don't like me  
Said I ain't the one  
They said I live a thug life  
Jitterbug to the bone  
How they gon' talk about me  
Betta leave me alone  
It drives me crazy  
Cause they know that you're my baby  
Tryna make me ghost like Swayze  
But you'll forever be my ladyI don't care what ya momma say  
What ya brother say  
What ya father say  
I'm gonna love you anywayI don't care what ya momma say  
What ya brother say  
What ya father say  
I'm gonna love you anywayYa peeps say they seen me  
Hangin' out in the streets  
Swingin' wit the project ladies  
And the ghetto freaks  
How they gonna talk bad bout my family  
Jojo, Ray-ray, Kesha, and my cousin Malik  
I'm there when you holla  
Whatever you need you gotta  
Sure nuff treat you proper  
Tryna be your baby dadaI don't care what ya momma say  
What ya brother say  
What ya father say  
I'm gonna love you anywayI don't care what ya momma say  
What ya brother say  
What ya father say  
I'm gonna love you anyway
