Don't Be Afraid

Boston

Now if you're thinkin'
'Bout a love that's left you
You're thinkin' you should hide away
Girl I think it's wrong
You just try to be strong now babe
Listen to what I got to say
I know the feelin'
That you feel todayBut don't be afraid of love
(Love)
Love
(Love)
Ooo
Love
(Love)
Love
(Love)
OooTell you how I feel about you
Tell you what you want to hear
Tell you that it's true
But it's all up to you now babe
Don't let your love disappear
(Hey)
Can't you believe
That I'll be stayin' here
(Ooo)But don't be afraid of love
(Love)
Love, yea
(Love)
Ooo
(Don't be afraid)
Love
(Love)
Love
(Love)
Ooo
(It's over){Ooo, alright
Now listen here
Oh}Baby don't you know
Good love is hard to find

Don't you think I know
What's runnin' through your mind
One man left you cryin'
So you shut the door
Just let me inside
That's what my love is for
Yea, yea, yea, yeaTell you how I feel about you
Tell you what you want to hear
Tell you that it's true
But it's all up to you now babe
Don't let your love fade away
Can't you believe that I'll be here to stayBut don't be afraid of love
(Love)
Love
(Love)
Ooo
Love
(Love)
Love
(Love)
OooOh
Love
(Love)
Love
(Love)
Ooo
