Cheap Shots

The Classic Crime

I have a demon in me
It shows its teeth and escapes
When I am patient with speak
is when I make my mistakes
It seems I'm prone to abuse
Im just like you (I'm just like you)
I keep my mouth shut around
The fools and liars of this town
They're starting fires with their lips,
They'll burn it all to the ground
You know if you want the truth
You'll just end up getting burned tooWill the water wash me clean?
(Will the water wash me clean?)
You can take it all out on me
You can take it all out on meSo go ahead and spit your poison out
Yeah go ahead and take your cheap shots
I've never been too proud to sin
Why don't you rub my face in it?
So go ahead and spit your poison out
Yeah go ahead and take your cheap shots
I've never been too proud to sin
Why don't you rub my face in it?You walk the walk, don't you?
Talk the talk too?
But in your heart you died alone
A long long long time agoWill the water was you clean?
You can take it all out on me
Yeah, You can take it all out on meSo go ahead and spit your poison out
Yeah go ahead and take your cheap shots
I've never been too proud to sin
Why don't you rub my face in it?So go ahead and spit your poison out
Yeah go ahead and take your cheap shots
I've never been too proud to sin
Why don't you rub my face in it?(instrumental)So go ahead and spit your poison out
Yeah go ahead and take your cheap shots
I've never been to proud to sin
Why don't you rub my face in it?Yeah go ahead and spit your poison out
Yeah go ahead and take your cheap shots
I've never been to proud to sin
Why don't you rub my face in it?
