Bunnies

Horse

And a beef will rise again, broken machine in his hand.
Ten words: snapping bunnies twitching gurgling forget the bombs in your eyes.Roaring with whispers to the tiny bunnies
SMASH/SPLAT those fucking bunnies
Roaring with whispers to the tiny bunnies
SMASH/SPLAT those fucking bunniesSend them information in a sensationalist manner, THEY CORRUPT.
Heads snapping and misspelling eyes twitching in response to the sound of the wordsRed world-like words zooming boiling
Moons in the shallow skyRoaring with whispers to the tiny bunnies
SPLAT/SQUISH those fucking bunnies
Roaring with whispers to the tiny bunnies
SPLAT/SQUISH those fucking bunniesTwitching bleeding screaming bring the hammer down
Screaming bunnies bleeding bloody bunnies smeared across the ground Drool spilling down his chin unto his beard as he screams red words at A blank and pointless sky of mothers
Red words popping and crackling blackTen words: Snapping bunnies twitching gurgling forget the bombs IN YOUR EYES
Forget the bombs in your eyes
Speak the words to crack open the sky
Forget the bombs in your eyes
Speak the words to crack open the sky
