

# Bunnies

## Horse

And a beef will rise again, broken machine in his hand.

Ten words: snapping bunnies twitching gurgling forget the bombs in your eyes. Roaring with whispers to the  
tiny bunnies

SMASH/SPLAT those fucking bunnies

Roaring with whispers to the tiny bunnies

SMASH/SPLAT those fucking bunnies Send them information in a sensationalist manner, THEY CORRUPT.

Heads snapping and misspelling eyes twitching in response to the sound of the words Red world-like words  
zooming boiling

Moons in the shallow sky Roaring with whispers to the tiny bunnies

SPLAT/SQUISH those fucking bunnies

Roaring with whispers to the tiny bunnies

SPLAT/SQUISH those fucking bunnies Twitching bleeding screaming bring the hammer down

Screaming bunnies bleeding bloody bunnies smeared across the ground Drool spilling down his chin unto his  
beard as he screams red words at A blank and pointless sky of mothers

Red words popping and crackling black Ten words: Snapping bunnies twitching gurgling forget the bombs IN  
YOUR EYES

Forget the bombs in your eyes

Speak the words to crack open the sky

Forget the bombs in your eyes

Speak the words to crack open the sky
