

# One (Original Mix)

P. Toile

Oh I wanna know your name  
You just kill me, could you at least do that?  
I wanna know your name  
Or better yet, stand there  
Just do that I wanna know your name  
Your name  
You just kill me, could you at least do that?  
I wanna know your name  
Your name  
Or better yet, stand there  
Just do that Hey yeah I wanna know your name...  
Know your name...  
I wanna know your name...  
Know your name... Uh!  
Oh yeah I wanna know your name  
You just kill me, could you at least do that?  
I wanna know your name  
Know your name  
Or better yet, stand there  
Just do that Hey yeah!  
Oh yeah! I wanna know your name...  
Know your name...  
I wanna know your name...  
Know your name... Uh
