Riot 77

Total Chaos

Right now1977
When punk first came alive
Was part of the class rebellion
From the misfits of that timePeople needed solutions
From the boredom of their lives
And we still feel the brilliance
Of the punk scene of that timeIt's a riot 77
When punk first came alive
It's a riot 77
When its spirit still survivedIt's a riot 77
When the scene is outta control
It's a riot 77
We say long live punk, rock and rollIt's 1996
And things are outta control
Punk has come alive
In a way we didn't knowI can't say how it survived
But we knew it always would
Rocking out in a punk rock band
Singing songs that we have always lovedIt's a riot 77
When punk first came alive
It's a riot 77
When its spirit still survivedIt's a riot 77
When the scene is outta control
It's a riot 77
We say long live punk, rock and rollIt's 1996
And things are outta control
Punk has come alive
In a way we didn't knowI can't say how it survived
But we knew it always would
Rocking out in a punk rock band
Singing songs that we have always lovedIt's a riot 77
When punk first came alive
It's a riot 77
When its spirit still survivedIt's a riot 77
When the scene is outta control
It's a riot 77
We say long live punk, rock and rollIt's a riot 77
When punk first came alive
It's a riot 77

When its spirit still survivedIt's a riot 77
When the scene is outta control
It's a riot 77
We say long live punk, rock and roll
