The Life We Had (from CD Duct Tape Rose)

Chad Fontaine

"let me play you a tune, you'll enjoy it"
Well i had to go before i made you hate me
but id love to know what you've been doing lately
i'm so bad im so sad at the life we had
well i get up early before the sun kicks out the fog
so my voice can carry when im calling for my dog
he aint much, hes kinda small
but he comes when i call
Times were good times were great but times were few
sometimes i love her times i hate when im with you
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had

im so bad im so mad at the life we had
im so bad im so mad at the life we had
im so bad im so mad at the life we had
