

# You're So Evil

## Fleetwood Mac

I'm leavin' you  
Leavin' you  
I got the feelin'  
I'm 'bout to go  
'bout to goGo down all that lonesome road  
Down that lonesome road  
Down that lonesome road  
By myselfYou're so evil  
'cause you're so evil  
That's why I'm leaving you alone  
Leaving you aloneYou got the devil in you, woman  
You got the devil in you, woman  
Someday it's gonna be the death of you  
It's gonna be the death of youI'm gonna get my .44  
Get my .44  
'n shoot, if it holds in youYes I'll put you six feet under  
Put you six feet under  
Put you six feet under the ground  
Six feet under the groundAnd woman I shed no tears  
Woman, I shed no tears  
I'll go away with a smile on my face  
Go away with a smile on my faceYou got what you're due woman  
You got what you're due  
I declared I won't see you anymore  
See you anymore
