

Never Alone

Susie McEntire

Never Alone. Susie McEntire, Luchsinger, Eaton

May the angels protect you, troubles neglect you, and heaven accept you when it's time to go home. May you always have plenty, the glass never empty, and know in your belly you're never alone. May your tears come from laughing, you find friends worth having with every year passing they mean more than though. May you win but stay humble, smile more than grumble and know when you stumble, you're never alone.

Never alone. Never alone. I'll be in every beat of your heart when you face the unknown. Where ever you fly. This isn't goodbye. My love will follow you, stay with you, baby, you're never alone.

Well I have to be honest, as much as I want it, I'm not going to promise the cold winds won't blow. So when hard times have found you, your fears surround you, wrap my love around you. You're never alone.

Never alone. Never alone. I'll be in every beat of your heart, when you face the unknown. Where ever you fly. This isn't goodbye. My love will follow you, stay with you, baby, you're never alone.

May the angels protect you, troubles neglect you, and heaven accept you when it's time to go home. When hard times have found you, your fears surround you, wrap my love around you. You're never alone.

Never alone. Never alone. I'll be in every beat of your heart, when you face the unknown. Where ever you fly. This isn't goodbye. My love will follow you, stay with you, baby, you're never alone.

My love will follow you, stay with you, baby, you're never alone.
