

Go Hard

The Rangers

first off.. its the rangers baayybeh
see us them girls go craazy
langston, spotlight, dayday,
corey, what else i gotta say
I go hard, ya girl stay jockin
her friends, they stay watchin
put in work, i just clocked in
clocked out, then u know i get it poppin
im gone, lil mama wassup
the sun go down then the freaks get up
and then its off til 6 in the morn
ya gurl like a light switch i turn her on
yao. and she love ma swagg
get it, get it, get it, on the flo she bad
i'm bad , like mike jack
and u know its julian on traack.
rangers we so fly
break yall necks everytime we walk by
no jail, we got bars
everybody know that my crew go hard.
go go go go go go go GO hard (repeat 3 times)
everybody know that my crew go hard.
ya u know everythings on lockdown
nice yellow bone on ma side with the top down
wind in her hair
no top, ow
pardon me if i came off foul

when we be at the function, these girls go wild
lightning describes me thats now
you know we in on the beat leave these critics like wow
rangers done did it now
im young corey, you like my fits
all up on the floor showin off my kicks
vlados..hangin out the windows of the six
so i aint gotta tug i let them pull the chicks
i go hard in the paint watch this
i just pull up, and hop out, and take over shit
they take off they tops then they hop on my tip

take of they tops then they hop on my tip
who puts a bang in a beat like me
who runs the girls from here to overseas
they let us in the do' and we run everythang
ladies passin out feelin like a young king
they be in ma jeans i dont even rock bling
cuz im off the wall and ma pin drop raw
go hard with flo and ya boy still ball
i aint nate dogg [AT ALL GURL]
I be in the gang goin hard throwin elbows
langston up'n the rangers since hamilton n elmo
they say we sold out, i say we go the belt tho
sold out stores, cash them checks tho
we droppin in the fall but they hearts finna let go
I be on the party bus i used to ride the metro
ha..and who get it like me
jerk low boss pin drop king
