

Risen From The Sea

Amon Amarth

Risen from the sea
The beast of hell is here
He's come to rule the earth
They will obey his power A serpent rises
Rise above the earth
Followed by an army
An army of the immortal An army of the dead Secretly they can arrive
The enemy is fire
Ripped from their sight
Falling through the sky
The enemy immortal Never die Here is wisdom and faith
No one stand and beg for
The number of the beast released
A number of a man is his number
Six hundred sixty six, 666 He's risen from the sea
The beast of hell are here
Come to rule the world
And you will be in fire Surtur is risen, Surtur is here
Repent yourself, he'll rule the world
Surtur is risen, Surtur is here
Repent yourself, he'll rule the world
Rule the world Surtur is risen, Surtur is here
Repent yourself, he'll rule the world
Surtur is risen, Surtur is here
Repent yourself, he'll rule the world
Rule the world
