Guiding Light

The Veils

I'm fine from within
Just better without
This noose around my neck
Is counting me outWhenever I run
My beautiful sin
Is calling outside
And it's that that reminds me of youNow our every last effort tried
So far has been denied
It's easy to cry for love
Far harder to try
There goes my guiding light
Farewell my guiding light
There goes my guiding lightI fought my way in
But I can't find a way out
Of this weightless regret
Surrounding me nowAnd whenever I run
Some beautiful sin
Is calling outside
And it's that that reminds me of youNow our every last effort tried
So far has been denied
It's easy to cry for love
Far harder to try
There goes my guiding light
Farewell my guiding light
There goes my guiding light
Farewell my guiding light
There goes my guiding light
There goes my guiding light
There goes my guiding light
