

# Wasted (Remix) [feat. Wyclef Jean]

## Cartel

It's 2:45 the baby takes his first breath  
The mother never knew he only had a few left  
The father gets a call in the middle of the night  
His breath gets short and his chest gets tight But he's sixteen and he's driving too fast  
Takes a turn to the left, it would be his last  
The body knows what happens if he turns to the right  
The body in the car wouldn't die that night But he's thirty two and invincible  
The cancer he had it was visceral  
He never saw it coming  
Thought he had his whole life  
Sick in the morning and he died in the night We're all so  
We're on the line  
We're all, we're all  
We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted He's seven years old, got his bat in his hand  
He's looking for his father and he doesn't understand  
Cause dad's too busy he's got some deals on the way  
His son sits alone as the children play And he's eighteen he couldn't wait to move out  
His parents wonder what all the rush is about  
They never bothered with his dreams only thinking of theirs  
Wonder's why he doesn't call and why he doesn't care But he's thirty two and invincible  
Everything he is based on principle  
He never had a truly happy moment in his life  
He didn't want the kids and he didn't want his wife We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted  
We're wasted  
We're all wasted  
We're all wasted, no no  
We're all wasted Twenty three now, got his life in his hands  
He's looking all around and he doesn't understand  
Cause life's too busy, things get in the way  
We all feel alone every single day Eighteen couldn't wait to move out  
It's been five years and now he's starting to doubt  
Whether all my dreams are just aimless stares  
Looking out to someplace that isn't there When I'm thirty two will I be miserable

With everything around based on principle  
Well, I had a clue, wouldn't it be nice  
To never be alone in this wasted life We're wasted, no no no  
We're all wasted  
We're wasted, no no no  
We're all wasted  
We're wasted  
We're all wasted  
We're wasted, no no  
We're all wasted
