

Just Barely Breathing (Demo)

Killswitch Engage

Decend into hysteria
Chaos of mankind
But who is listening
To the voice of hatererd?
Tortured souls lost
So completely lost
Weakened in the cencept of decline, deceptionAre we alive, or just breathing?
Don't close your eyes, see the images
Are we alive, or just breathing?
Don't close your eyes, see the imagesThe skies weep tonight
Our bodies washed away
I am waiting for you
Deliverance
The sun falls through the clouds
Hear my cryAre we alive, or just breathing?
Don't close your eyes, see the images
Are we alive, or just breathing?
Don't close your eyes, see the imagesThe skies weep tonight
Our bodies washed away
I am waiting for you
Deliverance
The sun falls through the clouds
Hear my cryI am waiting for you
I am waiting for you
I am waiting for you
