

I Against I

Massive Attack

Advisory - the following lyrics contain explicit language:

I ya, I against I
Flesh of my flesh
And mind of my mind
Two of a kind but one won't survive
My images reflect in the enemy's eye
And his images reflect in mine the same time I ya, I ya, I against I
Flesh of my flesh
And mind of my mind
Two of a kind but one won't survive Right here is where the end gon' start at
Conflict, contact, combat
Fighters stand where the land is marked at
Settle the dispute about who the livest Three word answer, whoever survive this
Only one of us can ride forever
So you and I cant ride together
Can't live or cant die together
All we can do is collide together So I skillfully apply the pressure
Won't stop until I'm forever one
A door step where death never come
Spread across time 'til my time never done
And I'm never done Walk tall, why ever run?
When they move if I ever come?
Bad man never fret the war, tell'em come
General we have the stock, the mad fire burn I ya, I against I
Flesh of my flesh
And mind of my mind
Two of a kind but one won't survive
My images reflect in the enemy's eye
And his images reflect in mine the same time I ya, I ya, I against I
Flesh of my flesh
And mind of my mind
Two of a kind but one won't survive
Survive, survive, survive, survive, survive

Survive, survive, survive, survive
Reign supreme in your U N I
V E R S E with the sharpness
Narrow row building no space for partners
No space for drivers, no space for walkers
No space regardless
You're on my path then get off it
Hardheaded and unresponsive
Get they lives put on target with harshness
Come with the canons sparkin' they darken
Who am I? One man squadron
Ma stir the fire this time that'd snatch your tomorrow
The thousand yard spear that'll pierce through your armor
You can get it on right now if you want to
But when ya front 9 get marched through
I warned you, you know who forever belong to
I ya, I ya, I against I
Flesh of my flesh
And mind of my mind
Two of a kind but one won't survive
My images reflect in the enemy's eye
And his images reflect in mine the same time
I ya, I ya, I against I
Flesh of my flesh
And mind of my mind
Two of a kind but one won't survive
My images reflect in the enemy's eye
And his images reflect in mine, survive
Survive, survive, survive, survive, survive
Survive, survive, survive, survive
