Tonight

Reamonn

She never took the train alone
She hated being on her own
She always took me by the hands
And say she needs meShe never wanted love to fail
She always hoped that it was real
She'd look me in the eyes
And said believe meAnd then the night becomes the day
And there's nothing left to say
If there's nothing left to say
Then something's wrongOh tonight, you killed me with your smile
So beautiful and wild, so beautiful
Oh tonight, you killed me with your smile
So beautiful and wild, so beautiful and wildAnd as the hands would turn with time
She'd always say that she was my mine
She'd turn and lend a smile
To say that she's goneBut in a whisper she'd arrive
And dance into my life
Like a music melody
Like a lovers' songOh tonight, you killed me with your smile
So beautiful and wild, so beautiful
Oh tonight, you killed me with your smile
So beautiful and wild, so beautiful and wildThrough the darkest night
Comes the brightest light
And the light that shines
Is deep inside
It's who you areOh tonight, you killed me with your smile
So beautiful and wild, so beautiful
Oh tonight, you killed me with your smile
So beautiful and wild, so beautiful, beautifulOh tonight, you killed me with your smile
So beautiful and wild, so beautiful and wild
So beautiful and wild
So beautiful and wild
