

Every Little Step

[Dylan Mondegreen](#)

How I wish you could have stayed here
to see her grow
Let her know
all the stories from my childhood
Give us advise
Involve in her lifeIt's wrong and unfair
all the love you could have shared
will never ever reach her
I wish you could have seen
what's she growing up to be
She's turning into a little person
a person, a person
Know you would treasure every moment
every little step
every hug you'd get
And when she'd talk then you would listen
to every word
from your little girl
It's wrong and unfair
all the love you could have shared
will never ever reach her
I wish you could have seen
what's she growing up to be
She's turning into a little person
a person, a personAs you left our lives
she came into our lives
