STAND UP

(Music&Lyrics;: T. ThÃ¶rnholm/M. Clauss/D. Attlerud)Verse

Boss is running in and out, that maniac (stand up)

just lay off my back 'til it's time for payback (stand up)Pre-Chorus

I call for my rights in this matter

this dog is bitin' so you better

just take a break and leave me all aloneChorus

You don't understand

you ain't got the picture (stand up-stand up)

cause I just stand, I just pick when I stand u-u-upVerse

Monday morning back to jail I'm faintin' (stand up)

hanging'upside down in loads of papers (stand up)Pre-Chorus

I ain't no recruit in your army

one day don't think of ever call me

I'll take a break to never more returnChorus

You don't understand

you ain't got the picture (stand up-stand up)

cause I just stand, I just pick when I stand u-u-upSoloPre-Chorus

I ain't no recruit in your army

one day don't think of ever call me

I'll take a break to never more returnChorus

You don't understand

you ain't got the picture (stand up-stand up)

cause I just stand, I just pick when I stand u-u-up
