

White Gardenias

Justin Townes Earle

Has she been around tonight?
Give a call if she should happen by
Cause it's been at least a week,
Since last time I've seen her
White dress, white shoes, and white gardenias
Maybe she went back to Baltimore
Bet she packed her bags the night before
Took a taxi down to Lex and 44th
Caught the first train to Baltimore
'Cause long ago she left her heart there
'Cause she could not stop the bleeding
White dress, white shoes, and white gardenias
I don't know, where she goes when she leaves
And I don't know, where she stays or whom she sees
So if you see her out tonight,
Yeah just look her in the eye
You might not know it now,
But you'll know it when you see her
White dress, white shoes, and white gardenias
White dress, white shoes, and white gardenias
