Believe

Staind

I sit alone and watch the clock
Tryin' to collect my thoughts
All I think about is you
And so I cry myself to sleep
And hope the devil I don't meet
In the dreams that I live throughBelieve in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strongBelieve in me
This life's not always what it seems
Believe in me
Cause I was made for chasing dreamsAll the smiles you've had to fake
And all the shit you've had to take
Just to lead us here again
I never have the things to say
To make it all just go away
To make it all just disappearBelieve in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strongBelieve in me
This life's not always what it seems
Believe in me
Cause I was made for chasing dreamsIt's my life, it's my choice
Hear my words, hear my voice
And just believeI sit alone and watch the clock
Tryin' to collect my thoughts
And all I think about is youIf you believe in me
Life not always what it seems
Believe in me
Cause I was made for chasing dreamsBelieve in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strongBelieve in me
This life's not always what it seems
Believe in me
Cause I was made for chasing dreams
