Believe

Staind

I sit alone and watch the clock
Tryin' to collect my thoughts
All I think about is you
And so I cry myself to sleep
And hope the devil I don't meet
In the dreams that I live throughBelieve in me
I know you've waited for so long

Believe in me

Sometimes the weak become the strongBelieve in me This life's not always what it seems

Believe in me

Cause I was made for chasing dreamsAll the smiles you've had to fake

And all the shit you've had to take

Just to lead us here again

I never have the things to say

To make it all just go away

To make it all just disappearBelieve in me

I know you've waited for so long

Believe in me

Sometimes the weak become the strongBelieve in me This life's not always what it seems

Believe in me

Cause I was made for chasing dreamsIt's my life, it's my choice

Hear my words, hear my voice

And just believeI sit alone and watch the clock

Tryin' to collect my thoughts

And all I think about is youIf you believe in me

Life not always what it seems

Believe in me

Cause I was made for chasing dreamsBelieve in me

I know you've waited for so long

Believe in me

Sometimes the weak become the strongBelieve in me

This life's not always what it seems

Believe in me

Cause I was made for chasing dreams
