Rocking Chair

Eric Clapton

Old rockin' chair's got me
Cane by my side
Fetch me my gin, son
'Fore I tan your hide
Get from this cabin
I ain't goin' nowhere
I'm sittin' here grabbin'
At the flies 'round my rockin' chair
Remember old aunt Harriet
How long in Heaven she'd be
Send out my chariot
For the end in my trouble, I see
Old rockin' chair got me
Judgement Day is almost here

Chained to my old rockin' chair
Can't get from this cabin
I ain't goin' nowhere
Sittin' here grabbin'
At the flies 'round my rockin' chair
Remember old aunt Harriet
How long in Heaven she'd be
Please send down my chariot
For the end in my troubles, I see
Old rockin' chair got me
Judgement Day is almost here
I'm chained to my old rockin' chair
Chained to my old rockin' chair
