

Isabella

Sauti Sol

Verse 1 (Bien AimÃ©):

Hey Isabella,

are you gonna come out and dance, with me tonight?

The stars look beautiful, outside.

So, so beautiful.

Tell your mama I said sorry.

I didn't bring you home early, last time

and I was a little tipsy...I know she doesn't miss me.Pre-Hook (Bien AimÃ©):

So put on those shoes, that I like.....

and we'll go and dance the night away (away yeah).Hook (Bien AimÃ©):

Because YOLO, YOLO, (You Only Live Once),

so, and me I wanna have some fun.

Vunja mifupa kama meno iko,

up and away we go

and spend all my money on you baby,

'cause I can't take it with me when I'm dead.

So, tonight, tonight,

we are young, high and in love.Verse 2 (Delvin):

Isabella, one day I'll be a superstar.

We'll go to America, big show in a stadium (wuwuwuu)Verse 3 (Chimano):

Isabella, today we boda boda,

tomorrow we motoka (aah ahh aah, nisikilize baby).Pre-Hook (Chimano):

So put on that dress that hugs you tight,

and we'll go and dance the night away,

(away, away with you ou ou ou ou ou ou)Hook (Bien AimÃ©) [repeat this part twice]:

YOLO, YOLO, (You Only Live Once),

so, me I wanna have some fun.

Vunja mifupa kama meno iko,

up and away we go

and spend all my money on you baby,

'cause I can't take it with me when I'm dead.

So, tonight, tonight,

we are young, high and in love.
