

Moving On

Decyfer Down

Dominos falling
Riot in the streets
baby this time there's no retreat
there's no surrenderA devil is rising
a shadow from the past
feeding the flames with fire
on the edge of furyAll the time
running in and out of time
hear the ticking on the countdown clocks tonightGo we need some
Go we need some
Action, if we're gonna make it like a true survivorWe need some action,
if we wanna take our love away from hereWe need a living passion
to believe in, burning hearts and a brand new feelingAction
if we're gonna make it like a true survivorOooohhhhhhhh
calling from the ashes
the phoenix rise again
fighting for life, for good for all that we believe inGo we need some
Go we need some
Action, if we're gonna make it like a true survivorWe need some action
if we wanna take our love away from hereWe need a living passion
to believe in, burning hearts and a brand new feelingAction
if we're gonna make it like a true survivorThe hero stands alone
when all is said and done
the enemies have fallen one by oneAll the time
running in and out of time
hear the ticking on the countdown clocks tonightGo we need some
Go we need some
actioooooooooon
action (action)
yeeeeaaaaaaaaah
action (action)Action, if we're gonna make it like a true survivor
We need some action
if we wanna take our love away from hereWe need a living passion
to believe in, burning hearts and a brand new feelingAction
if we're gonna make it like a true survivor
