

# Early in the Morning (with Van Morrison)

**B.B. King**

Early in the morning and I can't get right  
Had a little date with my baby last night  
Now it's early in the morning (Early in the morning)  
Well it's early in the morning (Early in the morning)  
Now it's early in the morning  
And I ain't got nothing but the bluesWent to all the places where we used to go  
Went to your house but you don't live there no more  
Now it's early in the morning (Early in the morning)  
Well it's early in the morning (Early in the morning)  
Early in the morning  
And I ain't got nothing but the bluesWent to your friend's house but she was out  
Knock on your father's door and he began to shout Get out there boy  
Early in the morning (Early in the morning)  
Early in the morning (Early in the morning)  
Early in the morning  
And I ain't got nothing but the bluesWent to doogie chain to get something to eat  
Waiter looked at me and said 'You sure look beat'  
Now it's early in the morning (Early in the morning)  
Early in the morning (Early in the morning)  
Well it's early in the morning  
And I ain't got nothing but the blues  
Well it's early in the morning  
And I ain't got nothing but the blues  
Well it's early in the morning  
And I ain't got nothing but the blues
