

# Time Is Money

## SPM

[Intro - Big Meech]

This Big Meech from the richest black muthafucking gang in the world  
My nigga always say, there's only two things a nigga can do for you  
You either got time or money, can't have em both  
Nigga with money, don't have no time  
Nigga with time, don't have no money  
We don't have a lot of time around here 'cause time is money

[Verse 1 - Akon]

Give me one minute, cause you tripping  
Too much time on your hands, you slipping  
Why you focused on all this dealing?  
When niggas coming in through the back door stealing?  
Crib on the hill: now that's good living  
Harder to reach when you make your first million  
So much money gotta stack to the ceiling  
And I'mma keep doing this forever, God-willing  
Real niggas like me don't catch feelings  
Only broke niggas be out there grilling  
Say you getting money but you ain't even tipping  
A big-booty girl in front of you dipping  
Fronting like you really doing all that shipping  
Man you gotta be, gotta be kidding  
Don't even try cause my weapon is hidden  
My nigga is ready to do some killing

[Hook - Akon]

I'mma tell you just one time: give me what's mine  
Cause I don't have time to waste  
I'll be on my grind, money on my mind  
And I won't stop getting paid  
Living this life of mine  
I don't know if you really got what it takes  
Hustling's in my blood and it just won't go away  
Time, money, time, money

Nigga with money, don't have no time  
Nigga with time, don't have no money

[Verse 2 - Akon]

â€˜Kon live in one year, made millions  
Everybody got money: nigga, we chillin  
Ainâ€™t got no time: itâ€™s some bad feelings  
Especially when you want a little sexual healing  
    Girlfriendâ€™s pulling, familyâ€™s pulling  
    In every direction, everybody need money  
    My lifestyle redefine how they all living  
    If I keep it up Iâ€™ll be broke in a minute  
    My kinfolkâ€™s on the block and they dealing  
        All my goons are still out there killing  
    Man I be running, got no time to be skipping  
        Trying to hit a home run in the 9th inning  
    Meech locked up, copped out, for a killing  
        Taking care of mine, San Quen chilling  
        Thatâ€™s my homie, you can trust that nigga  
    Just a matter of time before I get back with him

[Hook - Akon]

Iâ€™mma tell you just one time: give me whatâ€™s mine  
    Cause I donâ€™t have time to waste  
    Iâ€™ll be on my grind, money on my mind  
        And I donâ€™t stop getting paid  
        Living this life of mine  
I donâ€™t really know if you really got what it takes  
    Hustlingâ€™s in my blood and it just wonâ€™t go away  
        Time, money, time, money

Nigga with money, donâ€™t have no time  
Nigga with time, donâ€™t have no money

[Verse 3 - Akon]

Gotta look out for haters if you wanna be blockinâ€™  
    Look out for stick up kids that be robbinâ€™  
Look out for ladies with their hands in your pocket  
    If you donâ€™t, youâ€™ll be the next hot topic  
    Donâ€™t wanna be the next one dropping  
        6 feet deep like conans coffin  
    Iâ€™d rather see you out there flossing  
    Love to see another brother getting it poppin  
        Chase that paper, donâ€™t you wait up  
    Get your money nigga, fuck them haters  
        Everybody complain about your time  
You ain't got none? Find a way to make it up later  
    Cause I ain't got time for all that  
    And you ain't got time for all that

And I don't wanna waste your time  
On behalf of BMF bring Meech back!

Time is money, time is money  
Time is money, time is money  
Time money, time money  
time is money  
Time money, time money

Nigga with money, don't have no time  
Nigga with time, don't have no money  
Nigga with money, don't have no time  
Nigga with time, don't have no money
