Soul Radio
(P-p-please don't go away)
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
Now I know that you know I'm always on the road
I'm always in the studio, I know what you thinking
I'm messing with these hoes but I ain't got time
The truth about it, baby, I'm just trying to get dough
So we can have a better life, girl
In the end, it's gonna be alright
If we can make it through the struggles
We can make it through the fights
You gotta keep your head up and listen
When I say, listen, please don't go away
'Coz I need you to stay, I need you to believe
And put your trust in me, forget about the past
Just ride with me, I don't want you to go
So hold me tight and don't let go
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say

(Please don't go away)
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
You ain't gotta be scared, I ain't going nowhere
So for the rest of my life, I'll be here with you
Just listen to this song, it's dedicated to you
For everything you've done and everything you do
You're working 9 to 5 so you could provide
You did what you had to do so we could survive
I give you all the credit, girl 'coz you keep me alive
So listen when I say, listen, please don't go away
'Coz I need you to stay, every night I pray
I'm hoping for the better days, praying that you'll always stay
Girl, don't you leave my side
Just give me some time so I can make it right
Let me make it right
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
I don't want you to go
I need you to stay
So listen when I say
(Please don't go away)
I don't want you to leave
I need you here with me
So listen when I say stay
You were there with for me, baby, before I made a name
Girl, for that reason my love will never change
No matter the money, no matter the fame

The way I feel about you will remain the same
Through the good and the bad
Through the thick and the thin
I'm gonna love you, baby 'til the very end
Just take my hand and follow my lead
I put it on my life, you're all that I need
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
I don't want you to go
Can't you stay right here by my side?
(Please don't go away)
Doesn't matter what you do
All the money and the fame
Baby, hear me when I say
(Please don't go away)
Brown Boy, rock on, uhh
Finger Dally, rock, rock on, uhh
(Please don't go away)
Baby girl, rock, rock on, uhh
Soul Radio, rock, rock on, uhh
(Please don't go away)
Please don't go away
Please don't go away
