

# Joy

## Highlands Worship

[Intro]

Come on church put your hands together  
Come on with one voice let's sing this out[Verse 1]

Jesus, there is nothing like Your presence

I will sing of all Your goodness

Where all my fears fade to praise[Verse 2]

Savior, there is nothing like Your freedom

Dancing with the hope of heaven

Where all my fears fade to praise

[Pre-Chorus]

All I want, more of You and less of me

All I want, living in Your victory

All I want, let Your glory fill this place[Chorus]

There's joy, when I sing Your name

There's joy, I cannot contain

This joy, all of my days

You will be praised, You will be praised[Verse 2]

Savior, there is nothing like Your freedom

Dancing with the hope of heaven

Where all my fears fade to praise[Pre-Chorus]

All I want, more of You and less of me

All I want, living in Your victory

All I want, let Your glory fill this place

[Chorus]

There's joy, when I sing Your name

There's joy, I cannot contain

This joy, all of my days

You will be praised, You will be praised

There's joy, when I sing Your name

There's joy, I cannot contain

This joy, all of my days

You will be praised, You will be praised[Interlude][Pre-Chorus]

All I want, more of You and less of me

All I want, living in Your victory

All I want, let Your glory fill this place, Jesus

All I want, more of You and less of me

All I want, living in Your victory

All I want, let Your glory fill this place[Chorus]

There's joy, when I sing Your name

There's joy, I cannot contain  
This joy, all of my days  
You will be praised, You will be praised  
There's joy, when I sing Your name  
There's joy, I cannot contain  
This joy, all of my days  
You will be praised, You will be praised[Outro]  
Come on church let's give Jesus a shout of praise in this place
