

# Think of You

## Case

No, no  
You see it no no no no no no  
Listen baby There's something crazy I'm feelin'  
And I don't even know what I can do about it  
It keeps me up in the evenin'  
And I just can't clear my head of you Baby I don't know what it is that's tellin' me  
That nothing could be more than lovin' you  
I try to get my thoughts and my feelings together  
But no matter how I try to find it, brings me back to you In the morning  
(I think of you)  
Day and night  
(Baby I think of you)  
Everyday  
(I think of you)  
And every other day  
(Oh, I can too)  
When it rains  
(I think of you)  
When I cry  
(Baby I think of you) I don't understand what makes me think of you  
Baby, I just do everyday this feeling gets stronger  
Not a minute or hour goes by that I'm not thinking of the love  
For the very first time in my life, I feel deep inside I know the answer  
In what I feel is real Baby now I know what it is that's been tellin' me  
That nothin' could be more than lovin' you  
Now I got my thoughts and feelings together  
See I understand the vibe I'm gettin, now I run to you In the morning  
(I think of you)  
Day and night  
(Baby I think of you)  
Everyday  
(I think of you)  
And every other day  
(Oh, I can too)  
When it rains  
(I think of you)  
When I cry  
(Baby I think of you) I don't understand what makes me think of you  
Baby, I just do In the morning

(I think of you)  
Day and night  
(Baby I think of you)  
Everyday  
(I think of you)  
And every other day  
(Oh, I can too)  
When it rains  
(I think of you)  
When I cry  
(Baby I think of you) I don't understand what keeps me  
(Keeps me)  
Thinking of you  
I do  
(I think of you)  
Baby baby  
(Baby I think of you)  
All I  
(I think of you)  
Every other day and night  
(I think of you)
