

Every Time I Fall In Love

The Farm Inc.

Im in heaven on solid ground
It makes my world spin round and round
I'm inside out, I'm upside down
Everytime i fall in loveI lose my keys i lose my cool
I never learn like it's like im back in school
I end up breaking all my rules
Everytime i fall in loveI've been here before
And I'll be here again i tell myself
There's no one else in thisIm flying high with the birds and bees
But then they get the best of me
How come it feels like it's meant to be
Everytime i fall in loveI've been here before
And I'll be here again i tell myself
There's no one else in thisIm by the phone waiting for his call
Best looking thing i've ever saw
All dressed up for the wrecking ball
Everytime i fall in love
Everytime i fall in love~
